Entering his third year, Kelly boasts a 22-6 record and led the Bearcats to their first BIG EAST Conference Championship in 2008. Cincinnati achieved a school record 11 victories in 2008, had back-to-back 10 win seasons for the first time in school history, won the schools first outright conference championship since 1964, and earned the school's first berth in a Bowl Championship Series game in the 75th FedEx Orange Bowl. Kelly was named the BIG EAST Coach of the Year for the second straight season. He was also named the American Football Monthly Schutt Sports Football Bowl Subdivision Coach of the Year, earned American Football Coaches Association (AFCA) Region 1 Coach of the Year honors and was named the BIG EAST Coach of the Year by the Sporting News. Through an 18-year head coaching career, he has established a reputation for building winning teams. He has won at every stop along the way, earning a pair of Division II National Championships, winning a Mid-American Conference Championship with an impressive overall coaching record of 148-54-2. He is the winningest active BIG EAST coach and the only league coach with more than 150 wins.
